Per diem shall be completed at one-fourth of authorized rate for each quarter or fraction thereof. Hour of departure and hour of return should be shown for all travel. When claiming per diem, the meal allowance columns should not be used. Claims for actual lodging at single occupancy rate should be put in the "Per Diem or Actual Lodging Expenses" column and include the appropriate meal allowances in the "Meals for Class A & B Travel" column. Vicinity travel must appear in the separate column. When travel is by common carrier and billed directly to the traveler, the amount and description should be included in the "Other Expenses" column. Incidental travel expenses which may be reimbursed include: (a) reasonable taxi fare; (b) ferry fares and bridge, road, and tunnel tolls; (c) storage and parking fees; (d) telephone and telegraph expenses; (e) convention or conference registration fee. If meals are included in the registration fee, meals or per diem should be reduced accordingly. Receipts should be obtained when required. The official Dept. of Transportation map should be used in computing mileage from point of origin to destination whenever possible. When any University employee is stationed in any city or town for over 30 days continuous work days, such city or town shall be deemed to be his/her official headquarters and he/she shall not be allowed per diem or subsistence after the period of 30 continuous work days has elapsed, unless extended by the approval of the President of the University. A copy of an agenda and any detailed information pertaining to the purpose of the travel should be attached. Any fraudulent claim for mileage, per diem or other travel expense is subject to prosecution as a misdemeanor.
